# Cyprus Music Service

The Cyprus Music Service (CMS) was formed in the Autumn Term of 1999. Our aim is to make instrumental tuition available to Service children presently educated in Cyprus, and to provide musical opportunities that will enrich their lives and build skills for the future.

There are two centres: WSBA and ESBA. The main administrative base for Cyprus Music Service is at WSBA in St. John's School, Episkopi. The second unit is based at ESBA in King Richard School, Dhekelia.

The instrumental tuition comes as a package consisting of two main elements:

Firstly, the pupil will receive small group lessons in his/her own school during the school week. All of our staff are highly qualified instrumental specialists who will be available to teach a minimum of 30 lessons per academic year.

Secondly, after an initial period of tuition, the pupil will be expected to attend a Music School which will operate at a Music Centre in their Sovereign Base Area. These practical Schools operate at various times during the week, outside normal school hours. It is there that the pupil will experience playing in larger bands, orchestras and other instrumental ensembles.

The CMS primarily offers tuition in woodwind, brass and stringed instruments. However, should timetabling, staffing and schools permit, we will always consider applications for other instruments. At present tuition is available for pupils in Year 3 and above.

Please complete this application form and we may be able to help. Every child will then be given a suitability test, but tuition will not commence until all completed documentation and payment is

received at the WSBA Centre office.

## Tuition

Pupils are entitled to a 30 minute lesson in a small group of no more than 3. Individual lessons are a minimum of 15 minutes duration. The tutor will be available to teach a minimum of 30 lessons per academic year (10 per term).

## Tuition Costs

Tuition fees are €78.90 per term (for weekly lessons). Payment for each term is to be made in cash or a Euro cheque, made payable to Cyprus Music Service Fees.

Instruments are available from Cyprus Music Service and are loaned to students at a nominal charge whilst they are receiving tuition.

If you wish your child to take up this valuable opportunity, please complete the application form overleaf and return it to the CMS WSBA Office. Should you require further assistance or explanation, please do not hesitate to contact the Cyprus Music Service on 25962409 or 99317943.
